

THE ONLINE, OPEN AND FLEXIBLE HIGHER EDUCATION CONFERENCE OOFHEC2017

HIGHER EDUCATION FOR THE FUTURE;
'accelerating and strengthening innovation'

Open University Milton Keynes (UK)
25 – 27 October 2017

ANNOUNCEMENT - CALL FOR ABSTRACTS

Scope

Over the past years, universities have intensified a deeper transformation of teaching and learning in higher education, based on e-learning and online education. New modes of teaching and learning create new opportunities for enhancing the quality of the learning experience for on campus students, for reaching out to new target groups off campus and for offering freely accessible open education through the internet (OERs, MOOCs). They support the quality, visibility and reputation of the institution.

Themes

1. Strategies for the future of continuous professional development
2. Open education and widening participation
3. Research and innovation for new modes of teaching and learning
4. HE for a diverse future

5. Engaging students for learning at all stages of life
6. Policies for change in Higher Education
7. Quality assurance and accreditation of online and blended higher education
